I need about 200-250 door hanger notice for security to pass out. Can someone drop them off at the Council Office tomorrow?

Misty & Arturo:

I am willing to have signs made for the City Parking Lots.

The "Entrance" seems simple enough.

How many "Entrance" signs do I need?

I don't quite understand the Customer/Business Parking signs, what are we trying to say with these signs? All of the lots are for Customers and Business people.

We are simply using the spaces furthest from the businesses for neighbors displaced by our street posting. We will not park any movie trucks in these lots, only neighbor cars and the cars being driven by our security guards. The crew will be about a half a mile away in a private parking lot.

Re: Signage for City Lots In Highland Park

Let me know what you would like us to do.

Thanks...
